

PIZZA IS OUR LOVE LANGUAGE

Our pizzas are made fresh each day starting with homemade dough using '00' pizza flour and topped with our own Italian herb tomato sauce recipe and 100% mozzarella!

We dust all our pizzas with aged parmesan – please let a member of staff know if you would like no parmesan topping!

During the pandemic we built our fantastic pizzeria in our garden. This accommodates one pizza chef that hand stretches each pizza individually and adds fresh toppings. **We ask you to please be patient**
